JEFF HIGH BASEBALL:

Jefferson High's Don Delbon tossed a one-hitter last Friday as he led his teammates to an 8-1 win over South San Francisco High and a berth in the Peninsula Athletic League playoffs. The game was played on the Warriors' diamond. Bob Butcher rapped a single in the fourth frame off Delbon, and that was the only safety recorded off the Jeff hurler all day. The Warriors also tallied their only run of the day in that frame.

Jefferson opened the scoring with a run in the second frame and then exploded for six in the third. Tony Ross started it off by getting life on an error. Mario Leveroni bunted and was also safe on an error. Brian McMahon then singled to chase home Rosa. Larry Blanchard walked and Delbon singled to tally another run.

Then, with the bags loaded, Charlie Maynard smashed a liner to right that hit Alfredo Dina in the chest and bounded away from him, and the four runs came across the plate. Dini had to leave the game after being hit by the ball. The Warriors' chances for a win were dealt a sharp blow when Howard Goss was declared ineligible for the game. The Jeff's line-up was as follows: WILSON, ROSA, LEVERONI, MCMAHON, BLANCHARD, DELBON, MAYNARD, SCHALPER, TRANTHAM, CALENTE.

The Jeff's now stand in a tie position for 2nd place in the P.A.L. ratings; Palo Alto being tops with 8 wins and 2 losses---Jeff and San Mateo tying with seven wins and 3 losses each--the next in line are Lincoln and Sequoia tying with six wins and four losses each.

BUDGETWISE

P.T.A.: by Dorothy Radoff, publicity.

"MEET THE CANDIDATES"

The third and final in a series of "Meet the Candidates meetings, arranged by your Brisbane P.T.A., was held Thursday evening, May 15th, 1952--at the Brisbane School Auditorium. On hand to address the audience were candidates for state assemblymen, congressmen, and senators. Conducting the meeting was Mrs. K. Darrel Wooden. Members of the Citizenship Committee were Mrs. Frank King, chairman--Mrs. John Bell, Mrs. Roy Edwards, Mrs. Robert Spencer, and Mrs. Wooden. "We, the committee," said Mrs. Wooden, "feel this is the most democratic way of presenting the candidates."

In arranging these three meetings, it has been the aim and object of the committee to better acquaint you with the platforms of the various candidates. You have undoubtedly decided which are the good candidates. But a wise person once remarked, "In every election some GOOD candidate receives the solid backing of all the GOOD people who DON'T vote!" So your next and most important step is to VOTE. It is the ardent wish and hope of the Brisbane P.T.A. Citizenship Committee that EVERY Brisbane voter will cast his vote in the June 3rd Primaries.

STATE ASSEMBLY: (CREEDON)--Because of increased population in the county, the old 25th Assembly district has been divided. The new 25th district including parts of the City of San Mateo runs north to the county line and embraces communities of the north coastside. The new 26th district extends roughly from 19th Ave. in San Mateo, south to the county line. Judge Daniel J. Creedon is seeking election to the new 25th district seat in the State Assembly at Sacramento.

James W. McClenahan, campaign chairman for Creedon, points out qualifications of this candidate. "He is a native son, has lived and worked practically all his life in this vicinity; is a combat veteran of World War II with over 200,000 miles of sea duty--has worked with his hands at a number of trades and has served on the City of San Mateo Planning Commission, as a member of the City Council, and as Mayor of that city. He is a practicing attorney, numbering among his clients many labor unions and people from all walks of life. He has proved his interest in civic affairs by working constantly for the betterment of the community. Creedon is vitally interested in politics and plans to make it his career. I urge his support in the June 3rd primary as the best qualified representative for this district."

JUDICIAL: (BOCCI)--In a release to the press, Richard Lyons, attorney and campaign manager for the candidacy of Judge Thomas L. Bocci, Jr., to the Municipal Court, today declared that an article in a throw-away newspaper had accused him of misinforming the public as to attorneys in this county endorsing Judge Bocci. Lyons stated that he had talked to both Henry Davis and Tom Markley, attorneys in the northend, concerning a statement made in the throw-away newspaper, that they had not endorsed Judge Bocci, and who stated most emphatically that such a statement was not made to the publisher of the article and re-iterated their endorsement in support of Judge Thomas Bocci. Lyons further stated that both of these attorneys would issue a written statement setting forth the falsity of the article and the fact of their endorsement of Judge Thomas Bocci. Lyons has also decried the efforts of San Francisco attorneys to dictate to our San Mateo County practicing lawyers as to who should be the Judge of our Municipal Court. Lyons stated to members of the press that many circulars circulating out of San Francisco law offices to attorneys in this county are espousing the virtue of Judge Bocci's opponent. Lyons further stated that the practicing attorneys of San Mateo County, particularly a great majority who now practice in the northend and are most concerned as to who is to be Judge of the Municipal Court, have wholeheartedly endorsed Judge Bocci. The names of these attorneys were listed in last week's release.

JUDICIAL: (BECKER)--IMPORTANT LETTER TO THE EDITOR: "I regret that it is again necessary for me to point out to the voting public the fact that they are being misinformed by the other candidate for the office of Judge of the Municipal Court for the Northern District. On the first occasion I spoke out against his use of the terms "retain", "re-elect" and "incumbent" with reference to an office which is new and will not go into effect until January 1, 1953. Now, again, by means of a letter, the voting public is being misguided into erroneous conclusions because of carefully prepared language intended to have the people believe something which is not the fact. I regret it is necessary for me to have to take the time during these busy last few days before election to point out the truth; however, I have always maintained that the first Judge of this new court should be elected on the basis of his actual qualifications and not on misinformation. Particularly is this true where the principle functions and duties of the Judge of this new court are to determine the truth and the facts of all matters before the court and to render its judgment strictly in accordance with the truth and the facts. This other candidate now poses as "Township Judge". The truth of the matter is that there is no such thing as a

Judge and that he is a Justice of the Peace and no more. He says that he was elected for a four year term and that Constitutional Amendment requires him to run for election in 1952 instead of 1954. At the time he ran for Justice of the Peace the Constitutional Amendment which created this new Municipal Court had already been proposed for adoption and while he complains that he is now "required" to run for election again, he should thank his lucky stars that the election for this new Municipal Court was delayed until 1952, because had it occurred a year earlier he would not have been qualified to be a candidate for election as Judge of this new Court, because he lacked the minimum necessary experience required for this new Court.

"He then tells the people that he has the 'almost unanimous endorsement of these attorneys who practice in our county and who are most concerned as to who should hold this office'. This is not so! He does not have the endorsement of even half of the San Mateo County Lawyers and for verification of this fact, I refer you to the San Mateo County Bar Association. In the election of the first Judge of this new Municiapal Court, who will serve us for a 6 year term, we must be careful in selecting that type of man who deals squarely, fairly and honestly with the facts because that is what he will be called upon to do as a servant of the people."----JUDGE CHARLES BECKER, Colma City Court, Candidate for new Municipal Court, Northern District.

CONGRESS: (TAGGART)--Harold F. Taggart, Democratic candidate for Congress from San Mateo County, spoke to two meetings of more than 300 voters in San Mateo and Redwood City recently and pointed out that he was the only veteran of World War II running for Congress in the new Ninth District. He said: "My active duty with the Army in World War I and with the Navy in World War II has indelibly impressed upon me the importance and necessity for the maintenance of World Peace. We cannot turn our backs on the rest of the world and follow the road of isolationism as we did after the first world war," Taggart continued; "We must continue to actively support the principal of collective security and exhaust every avenue available to us thru the United Nations. I favor and will support economy in government and the careful spending of every dollar of public funds, but I will never sabotage our national and international defense effort in order to accomplish that economy. We would commit eventual national suicide if we withdrew within our own borders and failed to meet head on every effort of Communist Russia to further expand its areas of control in the world. The free nations of the world are looking to us for leadership. We must not take from these peoples the one hope for maintenance of the freedoms which we cherish. While I am a civilian at heart, I believe that we need men in Washington today who have a first-hand appreciation of the horrors and futility of war." (YOUNGER)--Arthur Younger, San Mateo County's Republican candidate for Congress, has slated a series of pre-election talks before varied groups in San Mateo County to acquaint citizens of this area with his political platform and public service aims. The May 19th meeting at the Congregational Church in Woodside, featured Younger as speaker, with Harold Sanford, Woodside committee chairman of the "Younger for Congress" campaign presiding. Younger also spoke this week at the Pilgrim Baptist Church, San Mateo. He was introduced by Reverend Sample, pastor of the congregation. Harry Hiraki, president of the Japanese-American League, presented the congressional candidate to the 240 members of that organization at a dinner meeting held at Rickey's in Palo Alto on Sunday. A group of citizens from San Gregorio, Pescadero, LaHonda, and Half Moon Bay gathered Sunday to discuss governmental questions with Younger under the chairmanship of George Dunn, Sr., at Cavalli Camping Grounds, La Honda. Younger also spoke Sunday at a tea given at the Sharon Estate by Mrs. John Fraser, Menlo Park. William Simonson, prominent San Mateo County labor leader, recently commended Arthur Younger, San Mateo County's Republican candidate for Congress, for his efforts in behalf of revision of the Taft-Hartley Act. "Younger has made a special study of legislation proposed by our national officers for revision of the Wage Act of 1947, generally referred to as Taft-Hartley and is ready to work with those who are in favor of revision", Simonson pointed out.

STATE ASSEMBLY: (GILMORE)--Frank Garibaldi, well-known nurseryman of Daly City, and former member of the Democratic County Central Committee says "Joseph P. Gilmore should be returned to the Assembly on his outstanding record of ten years. Joe Gilmore as assemblyman has consistently voted for the best interest of all the people. He has been a staunch supporter of our schools and for a higher level of education. that McKinnon has been endorsed by all Democratic leaders in the State, by other Democratic congressmen and by all labor organizations, Reilly said, "In McKinnon, who has been a California Congressman since 1948, we have a candidate of proven worth who has devoted himself to the best interests of our state and who has upheld the basic tradition of the Democratic party of doing the most good for the most people." Reilly urged Democrats to turn out in full force on June 3rd and to know and vote for their own Democratic candidates. "The ballots under the present system do not indicate the party affiliation of the candidates and the incumbents," he explained, "McKinnon's opponent, who is a Republican, will be listed on the Democratic ballot as the incumbent United States Senator". Reilly declared that, of all the candidates to be voted on in California, McKinnon has the best chance of winning. "The state records," he said, "show that there are approximately 800,000 more Democrats registered than Republicans. Being unopposed in his own party, all McKinnon has to do to win is to get the Democratic vote".

JEFFERSON-JACKSON DAY DINNER TONIGHT! --The national political spotlight will focus on San Mateo this week when United States Senator Estes Kefauver Democratic presidential candidate, and Edmund G. "Pat" Brown, attorney general of California and the leader of the rival uninstructed presidential delegation, clash in their only scheduled public meeting before the June 3 primary elections. The expected white hot debate will take place at the Jefferson-Jackson dinner to be held this Friday evening, May 23rd, in the San Mateo County Fiesta building on East Twenty-fifth Avenue. With the open attacks on each other increasing tempo and bitterness, the committees representing both factions will try to turn out their heaviest representations in attempts to get the most favorable public reaction. Democratic leaders have labeled the meeting as one of the greatest importance in the political scene. The progress of the Kefauver for President move will get its greatest boost if California's 68 national convention votes are won by Kefauver in the June 3 primaries. If Brown wins, it will put a damper on the hopes of the Kefauverites, and other candidates throughout the country are then expected to step up their campaigns sharply for the Democratic presidential nomination. Congressman Clinton D. McKinnon, the Democratic candidate for United States Senator from California, who is unopposed in his own party's ranks, will be the other featured speaker at the dinner. The affair is being sponsored by San Mateo County Democrats under the leadership of Marion H. Kent, chairman, and Frank Rose, co-chairman. That a large crowd will be present was assured by reports from committees working in six counties in the Bay Area. Chairman Kent advised that all dinner reservations should be made in advance as soon as possible. Complimentary dinner tickets are being issued from the Jefferson-Jackson dinner headquarters at 1481 Burlingame Avenue, Burlingame, on the following basis; 1 ticket for a $15.00 campaign contribution, and 2 tickets for a $25.00 campaign contribution.---Contact the JEFFERSON-JACKSON DINNER COMMITTEE OF SAN MATEO COUNTY---1481 BURLINGAME AVENUE, BURLINGAME--PHONE DIAMOND 3-3656

SENATE: (SWEENEY)---Martin J. Sweeney, Democratic candidate for State Senator, and real estate broker of Redwood City, again stresses safety measures on our highways. To save lives, he suggests, that there be a State inspection of all motor vehicles both private and commercial; that well equipped automobile dealers and garages be appointed as State Inspection Stations. This can be done with a one dollar maximum charge--75¢ to go to the garage and 25¢ to the State for a sticker. Inspection would include steering wheel, brakes, horn, headlights, wind-shield wipers, and tires. This would eliminate cars that are unsafe for the highways and help to protect lives. This is the practice of many Eastern States and is working out very satisfactorily, and--with the increases in population in San Mateo County and other California areas, immediate action must be taken now. With more commuters and industries in San Mateo County, it is a must now--for better highways, wider streets, and better protected approaches for the safety of all.

Mr. Sweeney has resided on the Peninsula for the past fifteen years, some of them spent right here in Brisbane--and has been associated in business for the past twenty-one years, both in San Francisco and the Peninsula. His real estate business is located at 2640 El Camino Real in Redwood City, and with his staff of expert salesmen, is carrying on a successful business. STATE ASSEMBLY:(JENKINS)-- Thomas Jenkins, Democratic candidate for the state assembly, 25th district, today cited his positive program as representative of his desire to assist county residents. The Broadmoor attorney, who is the official candidate of San Mateo county Democratic party, is the only candidate to come out with a strong people's platform. Jenkins has pledged to support; a state wide anti-narcotics educational program; development of freeways to ease present traffic problems in the county; construction of east and west highways to connect the Coastside with the rest of the county; an improved county court system to eliminate the present 15 months delay in civil cases; and a more efficient social welfare program, expecially as affects adoption cases. He also favors an end to lobbying; coherent development of state resources and revisions in the constitution of the state so as to simplify it for usage. These are but a few of the major points in Jenkins' constructive, forthright program.

His personal qualifications for assemblyman are outstanding. Jenkins is a successful attorney; one of the few men officers in the P.-T.A.; an educator; past president of the Broadmoor Property Owners Association; and past chairman of numerous Red Cross and Community Chest drives.

Jenkins is a veteran of World War II, an officer in American Legion Post #324; and a leader in movements designed to improve government. He resides in Broadmoor with his wife and two children.

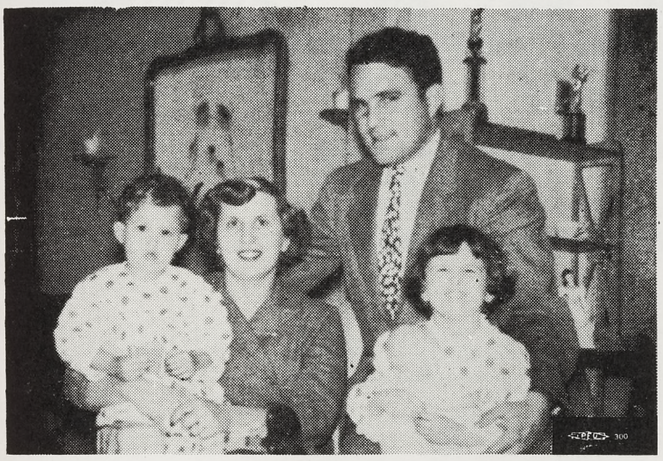
10 YEARS HONORABLE

LEGISLATIVE SERVICE

RE-ELECT A PROVEN PUBLIC OFFICIAL



JUDGE BOCCI AND FAMILY

YOUR JUDGE

Thomas L. BOCCI

I am again soliciting your support to my candidacy to the office of Municipal Judge, North District, in the June Elections. I solicited your vote in 1950 when I was a candidate for the office of Judge, at which time I was elected as a 10,000 vote choice of the people for that office. Original term was for four years. Constitutional amendments require me to run again in 1952, after a two year term, although originally elected for four years. I again offer you the same qualifications as offered in my first campaign, coupled with 2 years Judicial experience acquired in dispensing with close to 10,000 Judicial matters that have come before me during my present tenure on the Bench. I am endorsed and sponsored by leading civic groups and persons who know my qualifications and are recommending to the people of my district that I be retained as your Judge.

May I say that it has been the policy of my court to be fair and impartial in my decisions, treating all persons coming before the Court with fairness regardless of Race, Color, or Creed. If re-elected as your Judge, I intend to continue this policy.
